

Standard Export POA – USPPI Cover Letter
(Form on next page)

Why must Prime Air Cargo obtain authorization or power of attorney (POA) in order to facilitate U.S. export clearance via AES (Automated Export System) for a standard export transaction?

Authorized agents or Forwarders are required by law to obtain authority from the USPPI in a standard export transaction who has enlisted the services of the forwarder. This is stated in the Foreign Trade Regulations (FTR) of the U.S. Census Bureau 15 CFR 30.3 (c) (2) (ii). In a routed export transaction, we must obtain the POA from the Foreign Principal Party in Interest (FPPI) 15 CFR 30.3 (e) (2).

What if my export shipment does not require the Electronic Export Information (EEI) to be transmitted or I file the EEI myself?

For these transactions, Prime Air Cargo does not require POA to process the export shipment.
